

Conect

THE PERFECT DESK FOR SHARED WORKSPACES

The CONECT desks feature elegant bridge or loop legs and a worktop that sits slightly above the desk frame, creating a clean aesthetic and a sense of lightness.

The one-piece construction makes this the perfect desk for shared workspaces, and the starter/add-on system allows any number of CONECT desks to be joined together as required.

2 types of leg design

Bridge legs

Fixed-height: H. 73.5 cm
