

Financial Services Provider

For over 145 years, Genworth have been focused on helping their customers navigate caregiving options, protect and grow their retirement income, and prepare for the financial challenges that come as we age.

BACKGROUND

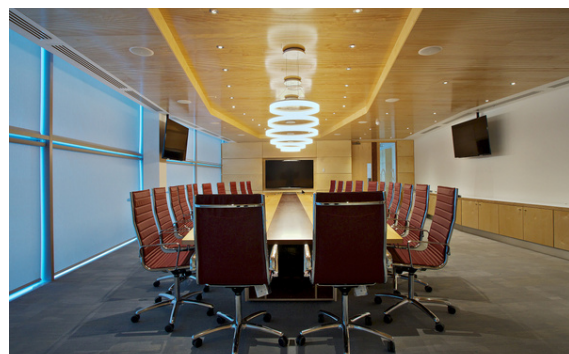

Design, Supply & Execution of Office Furniture (Office Desks, Office Seating, Storage, Executive, Custom built boardroom Table (shown below) & Breakout Furniture for 420 people into a new state of the art business centre.

ABOUT THE PROJECT

The project aimed to infuse vibrancy and vitality into the workspace, evident in the choice of orange and red canteen chairs under big circular acoustic ceiling panels. With a focus on fostering a dynamic atmosphere, the design exudes energy and positivity throughout. The bespoke and timeless boardroom table serves as the centerpiece, elevated by modern circular lighting above, creating a sophisticated yet inviting ambiance that encourages collaboration and innovation.

RESULTS

This project was brought in ahead of schedule exceeding the expectation of the customer. A modern, fresh working space with high quality products was delivered.
