Product Brochure

# Nomad

A diverse collection of mobile furniture which offers a flexible approach for workspaces and learning environments.

The Nomad collection is a seamless fit for a culture of shared space and allows for change where and when required.

Nomad features a range of sofas, tables and media units that facilitate collaboration and encourage teamwork. All products in the collection are built on casters, empowering the user with the choice of how and where to work. Nomad units can be used together or separately to create a tailored solution for any working or learning environment.
