

Office Fit Out Limerick

Renovation can be a challenging experience. For many businesses, it is the most significant investment they make in their workplace. Choose M2 Office Interiors as your expert design, planning and delivery team.

BACKGROUND

M2 Office Interiors were tasked with updating an outdated office space in Limerick City.

ABOUT THE PROJECT

From initial design and planning, M2 Office Interiors delivered a full fit out project for a Limerick office space right through to hand over. Our multi-skilled teams are dynamic and get involved in different parts of each project, this approach improves knowledge within the team and makes everything run smoothly.

M2 Office Interiors provide a wide range of services in-house to ensure our designers and engineers complete the job to the highest of standards. This means almost all of our work in your office from design and build to flooring, ceiling, and partition installation to electrical and mechanical is done by our carefully selected, in-house team.

RESULTS

At M2 Office, we're dedicated to excellence in every detail! This office space has been transformed into a modern and inviting environment with subtle yet impactful changes. From sleek new furniture and plush carpets to a fresh coat of paint, every small update has made a huge difference.
