Product Brochure

Rooms

Design by Roger Webb Associates

The Rooms range is designed to define space and create a sense of place. Rooms needs no planning permission and has no fixed walls. It is a flexible and reconfigurable free-standing structure designed to create informal and formal workspace solutions to meet, socialise, focus and collaborate. Offering visual and acoustic privacy solutions, Rooms is available with a variety of walls to create spaces with endless functionality. Optional acoustic ceiling baffles are also available.

Rooms

Award Winning, Product of the year.

"Cost-effective and simple to install, it has an organic feeling of being outdoors, indoors"
