## Holmes Dublin Office and Breakout Area by M2 Office Interiors

### BACKGROUND

M2 Office Interiors recently completed an interior fitout project for Holmes Dublin, transforming their office space with sleek and functional furniture collection.

### ABOUT THE PROJECT

M2 Office Interiors revamped the Holmes Dublin office, designing a space focused on both style and practicality. The new setup includes ergonomic seating, well-organized desks, and space dividers for an optimized workflow. Additional storage solutions and dual monitor arms improved usability, while the sleek chairs offer enhanced comfort.

### RESULTS

The project included the installation of Sedus Black Dot chairs, C-sense Office Desks, and Sprint Desk Partitions for an efficient workspace layout. Bisley pedestals and Humanscale Double Monitor Arms enhanced functionality, while Milani Zed Office Chairs added ergonomic comfort. The result was a modern, professional environment tailored to the client's needs.
