DESIGN LINKED TO FUNCTIONALITY

- Casala specialises in the production of stylish contract furniture that excels in both design and functionality. **“Design linked to Functionality”** is deeply rooted within our DNA and plays a major role in the design process. We work together with leading designers in our industry. More than one hundred years of experience guarantees that Casala furniture offers a lot of comfort and ease of use in addition to high quality.

PABLO REGAÑO STUDIO

- Pablo Regaño (Valencia, 1994) is a design engineer and founder of Pablo Regaño Studio (2021). His work is strongly influenced by the Mediterranean culture he grew up in, with climate, nature and light as his main sources of inspiration. These elements are reflected in designs that are not only functional, but also add value. Pablo’s vision focuses on furniture design with a relationship between object and person, creating a natural connection. Expressiveness, colour and sophistication are always at the heart of Pablo’s designs.

NL

Pablo Regaño (Valencia, 1994) is een ontwerpingenieur en oprichter van Pablo Regaño Studio (2021). Zijn werk is sterk beïnvloed door de mediterrane cultuur waarin hij opgroeide met het klimaat, de natuur en het licht als belangrijkste inspiratiebronnen. Die elementen zie je terug in ontwerpen die niet alleen functioneel zijn, maar ook waarde toevoegen. Pablo's visie richt zich op meubelontwerp met een relatie tussen object en mens, waardoor er een vanzelfsprekende connectie ontstaat. Expressiviteit, kleur en verfijning staan altijd centraal in Pablo's ontwerpen.

DE

Pablo Regaño (Valencia, 1994) ist Designingenieur und Gründer des Pablo Regaño Studio (2021). Seine Arbeit ist stark von der mediterranen Kultur beeinflusst, in der er aufgewachsen ist, wobei Klima, Natur und Licht seine Hauptinspirationsquellen sind. Diese Elemente spiegeln sich in Entwürfen wider, die nicht nur funktional sind, sondern auch einen Mehrwert bieten. Pablos Vision konzentriert sich auf Möbeldesign mit einer Beziehung zwischen Objekt und Mensch, die eine natürliche Verbindung schafft. Ausdrucksstärke, Farbe und Raffinesse stehen immer im Mittelpunkt von Pablos Entwürfen.

FR

Pablo Regaño (Valence, 1994) est ingénieur concepteur et fondateur du Studio Pablo Regaño (2021). Son travail est fortement influencé par la culture méditerranéenne dans laquelle il a grandi, le climat, la nature et la lumière étant ses principales sources d'inspiration. Ces éléments se reflètent dans des créations qui ne sont pas seulement fonctionnelles, mais qui apportent également une valeur ajoutée. La vision de Pablo se concentre sur la conception de meubles instaurant une relation entre l'objet et la personne, créant un lien naturel. L'expressivité, la couleur et la sophistication sont toujours au cœur des créations de Pablo.

THE POWER OF SENNA

— Senna exudes sophistication in every detail. The backrest seems to float thanks to an invisible attachment in the curved tubular frame. Even under the seat, the tubes follow a flowing line. No visible connections, but pure simplicity in form and construction. The chamfered edges of the moulded seat and backrest accentuate Senna's slender silhouette.

NL

Senna ademt verfijning tot in het kleinste detail. De rugleuning lijkt te zweven dankzij een onzichtbare bevestiging in het gebogen buisframe. Ook onder de zitting volgen de buizen een vloeiende lijn. Geen zichtbare verbindingen, maar pure eenvoud in vorm en constructie. De afgeschuinde randen van de voorgevormde zitting en rugleuning accentueren het slanke silhouet van Senna.

DE

Senna strahlt Raffinesse in jedem Detail aus. Die Rückenlehne scheint zu schweben, dank einer unsichtbaren Befestigung im gebogenen Gestell. Auch unter der Sitzfläche folgen die Rohre einer fließenden Linie. Keine sichtbaren Verbindungen, sondern pure Einfachheit in Form und Konstruktion. Die abgeschrägten Kanten des geformten Sitzes und der Rückenlehne betonen die schlanke Silhouette von Senna.

FR

Senna respire la sophistication dans les moindres détails. Le dossier semble flotter grâce à sa fixation invisible dans le châssis tubulaire courbé. Même sous l'assise, les tubes suivent une ligne fluide. Aucune connexion visible, mais une simplicité pure dans la forme et la construction. Les bords chanfreinés de l'assise et du dossier moulés accentuent la silhouette élancée de Senna.

Senna's backrest is invisibly mounted to its frame, thanks to an ingenious connection

SENNA

A VERSATILE FAMILY

— The Senna range consists of chairs, barstools and tables. This makes Senna suitable for various business environments. Each variant has its own character and application, but together they form a family that brings unity to any space.

NL
Het Senna programma bestaat uit stoelen, barkrukken en tafels. Dit maakt Senna geschikt voor diverse zakelijke omgevingen. Elke variant heeft zijn eigen karakter en toepassing, maar ze vormen samen een familie die in elke ruimte eenheid brengt.

DE
Das Programm Senna besteht aus Stühlen, Barhockern und Tischen. Dadurch eignet sich Senna für verschiedene Geschäftsumgebungen. Jede Variante hat ihren eigenen Charakter und Anwendungsbereich, aber zusammen bilden sie eine Familie, die jedem Raum eine Einheit verleiht.

FR
La gamme Senna se compose de chaises, de tabourets de bar et de tables. Senna s'adapte ainsi à différents environnements professionnels. Chaque modèle a son caractère unique et sa propre utilité, mais ensemble, ils forment une famille qui apporte de l'unité à n'importe quel espace.

SENNA CREATES
AN INVITING AND
HARMONIOUS
ATMOSPHERE IN
VARIOUS BUSINESS
INTERIORS

STACK AND STOCK

— When Senna chairs and barstools are not in use, they stack compactly and efficiently. Barstools are freely stackable up to four, chairs even up to six.

NL

Wanneer Senna stoelen en barkrukken niet in gebruik zijn, stapelen ze compact en efficiënt. Barkrukken zijn vrijstaand stapelbaar tot vier stuks, stoelen zelfs tot zes.

DE

Wenn Senna Stühle und Barhocker nicht gebraucht werden, lassen sie sich kompakt und effizient stapeln. Barhocker sind bis zu vier Stück, Stühle sogar bis zu sechs Stück frei stapelbar.

FR

Lorsque les chaises et les tabourets de bar Senna ne sont pas utilisés, ils s'empilent de manière compacte et efficace. Les tabourets de bar peuvent être empilés jusqu'à quatre et les chaises jusqu'à six pièces.

MULTIPLE HEIGHTS OF SENNA

— Available in counter and bar height, the Senna barstool stays true to its design. The curved tubular shape, moulded seat and slim silhouette reinforce the unity within the range. Senna's character also comes into its own in settings with higher tables.

NL

Verkrijgbaar in counter- en barhoogte blijft de Senna barkruk trouw aan zijn ontwerp. De gebogen buisvorm, de voorgevormde zitting en het slanke silhouet versterken de eenheid binnen het programma. Ook in settings met hogere tafels komt het karakter van Senna volledig tot zijn recht.

DE

Der Senna Barhocker ist in Theken- und Barhöhe erhältlich und bleibt seinem Design treu. Die geschwungene Gestellform, der geformte Sitz und die schlanke Silhouette verstärken die Einheitlichkeit der Serie. Der Charakter von Senna kommt auch in Umgebungen mit höheren Tischen zur Geltung.

FR

Disponible en hauteur comptoir ou bar, le tabouret Senna reste fidèle à son design. La forme courbe du tube, l'assise moulée et la silhouette élancée renforcent l'unité de la gamme. Le caractère de Senna s'exprime également dans des aménagements avec des tables hautes.

SHAPES THAT FIT THE FLOW

— The Senna table range offers plenty of options in table top shape and finish. The variation in HPL decors makes it possible to match the tables to the desired experience. This creates a cohesive whole within the interior, whether it's a short meeting or an extensive lunch.

NL

Het tafelprogramma van Senna biedt volop keuzemogelijkheden in bladvorm en afwerking. De variatie in HPL-decors maakt het mogelijk de tafels af te stemmen op de gewenste beleving. Zo ontstaat een samenhangend geheel in het interieur, of het nu gaat om een kort overleg of een uitgebreide lunch.

DE

Die Tischserie Senna bietet vielfältige Möglichkeiten hinsichtlich Tischplattenform und -ausführung. Dank der verschiedenen HPL-Dekore können die Tische an das gewünschte Ambiente angepasst werden. So entsteht ein harmonisches Ganzes im Raum – egal ob kurze Besprechung oder ausgiebiges Mittagessen.

FR

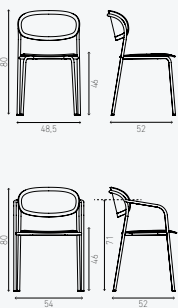

La gamme de tables Senna offre de nombreuses options de formes et de finitions pour les plateaux de table. La variété des décors HPL permet d'adapter les tables à l'expérience souhaitée. Cela crée un ensemble cohérent dans l'espace, qu'il s'agisse d'une courte réunion ou d'un déjeuner prolongé.

Powder coat info
The powder coating used, does not contain toxic substances or components that hold heavy metals. During the production process, the redundant powder is intercepted and re-used in our production process.

Powder coating colours that are not standard to the Casala collection can be used at the customer's request. Special powder coat colours on request only. The additional

price varies by colour and order quantity. When the colour is received, a sample will be produced, which will be sent to the client for approval. After approval the order will be finalized, the lead time after approval is approximately two weeks.

The colours in this publication may differ to the original product.

Melamine & HPL info

The standard Casala tabletop collection consists of 13 standard colours divided between melamine & HPL and Fenix NTM. With melamine & HPL there is a choice of 1 x finish with smooth structure (VV), 3 x solid colours (SD) and 6 x wood finishes with grain structure (NW). The melamine and HPL options are produced by Pfleiderer and are carefully selected from the Duropal, Wodego and Thermopal collections.

With Fenix NTM, there is a choice of 3 matt structures. The Fenix NTM properties not only provide a soft feel matt surface, but also hides fingerprints and allows small superficial scratches to repair themselves. Please contact Casala sales support.

Casala is certified according to international quality marks PEFC or FSC®. These quality marks guarantee all wood- or wood based products, in our table tops, are sustainable class A wood, sourced from responsible managed forests. Ask for our PEFC and FSC® certified products.

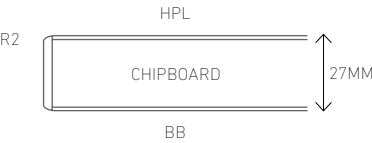

Linked tabletops in configurations are not supplied with a continuous decor as standard. Continuous decor is possible, price on request.
